DEFENCE ECONOMIC STIMULUS WORKS PROGRAM
ADDITIONAL INFORMATION FOR VENDORS

About the Program
► The intent is to support businesses so they can maintain employment and sustainable business.
► Looking to establish a panel of vendors across seven (7) work categories.
► Once on the panel, vendors can quote on a range of works, noting the intent is value not volume.
► The safety of our vendors and employees is the highest priority for Broadspectrum. The ability to conduct work safely is a priority under this program.

Categories of Work and Locations
Work is at various Defence bases in the Northern Territory, South Australia, Western Australia, Victoria and Tasmania. The scope of work will vary according to the location.
► Air conditioning and HVAC services (general works)
► Civil services (roads, footpaths, kerbing, bitumen)
► Electrical (general low voltage to RC replacements)
► General building, construction and demolition
► Hydraulic and plumbing (general works)
► Interior specialists (joinery and painting)
► Land Management (Landscaping, bird proofing)
